Digital Playground Presents **Cougarville**

Naughty housewife *Chanel Preston* was caught in a compromising threesome with the pool boy and gardener. Her husband witnessed the entire act, and he's filing for divorce. The only person *Chanel* can turn to is her best bosomy friend and lawyer *Nikki Benz*, her only hope in making sure she doesn't lose everything in the settlement! *Nikki* has this case under control, but she's more concerned with *Chanel's* well-being and most importantly her transition back to slutty singlehood. She gathers their closest girlfriends for some rest and relaxation, but it turns into a wild girls' trip to *Cougarville*, a resort where the young men are plentiful and the sex never stops!
